Partnering with **North Sydney Bus and Coach Charter**, part of the **NSBC Group**, can provide your School, College or Institution with late model, air-conditioned, seat belted mini coaches and coaches from 24 to 57 Seaters.

North Sydney provide uniformed, experienced, fully licensed and accredited Bus and Coach Drivers, all Working-With-Children-Act screened and approved. We are experienced in providing chartered bus services to some of the largest and most respected Schools and Colleges- 5 days a week from any suburb in Sydney to any school location. We can assist with start-up new runs, take over existing contracts or take the hassle out of operating your own fleet of buses.

Our Fleet is GPS Tracked and Monitored keeping us in touch every minute of the day on every journey. We are able to provide you with invaluable data when required as we monitor time, speed and location. For regular contracted clients we also offer vehicle signage options (conditions apply). We also have access to sophisticated Bus Pass And Usage Technology to account for every student on every movement.

Discover how **North Sydney** can partner with you to provide safe and secure school bus transport at an affordable rate. We have over 80 Vehicles and 100 Drivers operating from (4) Sydney depots and managed and controlled at our new "state-of the art" Operations Control Centre and Head Office in Artarmon, on Sydney's lower North Shore.

If you currently own or lease your own buses enquire about our "Buy Back and Supply Offer". We are willing to purchase your current fleet at an agreed rate and supply you with new or near new Air-conditioned Seat Belted Coaches or Mini Coaches from 24-27-39-51-57 Seaters. **North Sydney** take the hassle out of operating school bus runs.
